9844351869

BCA Student | Aspiring Web Developer

subashchan31@gmail.com

Milanchowk, Dhangadhi-09, Kailali, Nepal

## SUMMARY

Motivated and detail-oriented BCA student at NAST (affiliated with Pokhara University) with a strong foundation in web development and programming. Skilled in building dynamic applications using HTML, CSS, JavaScript, PHP, and MySQL. Passionate about solving real-world problems through technology and eager to apply technical and analytical skills in practical projects and internships.

## EDUCATION

### Bachelor of Computer Application (BCA)

National Academy of Science and Technology (NAST), Dhangadhi  
2022 – Present | Expected Graduation: 2026

### +2 in Computer Commerce

Little Buddha Academy (LBA), Mahendranagar  
GPA: 2.75  
2020 – 2022

### Secondary Education Examination (SEE)

Shree Udaya Higher Secondary School, Baitadi  
GPA: 2.75  
Passed Year: 2019

## SKILLS

### Programming Languages

- C++
- Python
- PHP
- JavaScript

### Web Development

- HTML
- CSS
- MySQL
- Flask

### Tools

- Git
- GitHub

### Soft Skills

- Problem Solving
- Teamwork
- Communication
- Time Management
- Continuous Learning

## TECHNICAL PROJECTS

### E-Clothing Store (Web Project)

04/2025 - 07/2025  
Designed and implemented a full-featured online clothing store with secure authentication, dynamic product management, and integrated order tracking. Improved user experience through responsive UI and seamless checkout.

### Library Management System (VB.NET / C++)

08/2024 - 11/2024  
Created both desktop and console-based library management systems (VB.NET, C++) to manage book records, member registration, and borrowing/return operations with authentication and search features.

### Project Management System

04/2025 - 8/2025  
Built a project management web application using Flask (Python) enabling project creation, role-based task assignment, and real-time team chat for collaboration. Integrated progress tracking and secure login to enhance productivity.

## HOBBIES

- Coding
- Exploring new technologies
- Reading books
- Listening to music
